STATINTL

STATINTL

Expressed hope that some space in the main building can be made available to OTR; will discuss with [REDACTED]

STATINTL

Commented on the DD/O's discussion in which [REDACTED] noted that the DDO Midcareerists observed that OTR's instructors appear to be not involved enough in "massaging information on the directorates."

Asked that School Chiefs ensure that each person who gives a presentation on an OTR course does as well as he can and that the instructors critique the performances; suggested the possible use of an operations instructor to monitor the DDO presentations given in SIWA.

Noted that the deadline on the Annual Personnel Plan has been deferred from 15 July to 1 September.

The DD/O will be in the Middle East from 22 June to 5 July.
